TAP Air Portugal

Letter of Recommendation

Dear Sir or Madam,

I write to your outfit on behalf of the organizers of Django Europe Conference requesting for your assistance and cooperation regarding our participants who have purchased their air tickets from your company.

Following the outbreak of the global pandemic; covid19, and the related uncertainties regarding world health in the coming days and months, we have decided to cancel the entire conference until next year.

For this reason, we kindly request that you fully refund the ticket fares that have been paid by our participants to them. We assure you that should the turbulence in world health be calm in due time, our participants will still fall on you for their tickets, as your company **is the official carrier for this program.**

Thank you.

Sincerely,

Noah Alorwu
Event Organizer
